COMMENTS

Sierra H Broadcasting, Inc. ("Sierra H"), licensee of Station KAJM(FM), Payson, Arizona, by its counsel and pursuant to Section 1.405 of the Commission's Rules, hereby files these comments in connection with the above-referenced proceeding ("Global Resolution"). In support thereof, Sierra H states as follows.

On July 9, 2003, the Commission released a public notice concerning the proposed allotment changes advanced in the Global Resolution. *See Public Notice*, Report No. 2613. Item 13 of the *Public Notice's* description of the Global Resolution states: "To change the community of license for Station KAJM(FM), Channel 282C, from Payson, Arizona, to Lake Montezuma, Arizona, using KAJM's licensed site." This modification of KAJM's community of license originally had been proposed by Sierra H in a petition for rulemaking (RM-10552), and had been treated by the Commission as a counterproposal in MB Docket No. 02-12 (the "Counterproposal").

However, after reviewing the various proposals and counterproposals in MB Docket No. 02-12, Sierra H concluded that its Counterproposal would not result in a preferred allotment of FM broadcast stations. Accordingly, on September 10, 2002, Sierra filed a petition to dismiss

the Counterproposal (a copy of which is appended hereto), and proffered its support of the other proposals contained in MB Docket No. 02-12.¹

In view of Sierra H's desire to withdraw its Counterproposal, Sierra H hereby requests that its petition to dismiss be granted, and that the proposal to modify KAJM's community of license be removed from the Global Resolution.

Respectfully submitted,

SIERRA H BROADCASTING, INC.
